## LAKE MBURO

### NATIONAL PARK

**TWO DAYS, PER PERSON**  
**\$352 minimum 6 pax**

Lake Mbuoro National Park is a very special place; every part of it is alive with variety, interest and colour. LMNP contains an extensive area of wetland. The park harbours several species of mammals including zebras, impalas, elands, topi and buffaloes. The bird population includes the rare Shoebill stork. Its sculptured landscape with rolling grassy hills and idyllic lakeshores has a varied mosaic of habitats: forest galleries, rich acacia tree valleys, seasonal and permanent swamps which all support a wealth of wildlife.
